

題目: IC design challenge

Speaker: 張家源處長 (Alex Chang)

演講摘要:

We will describe the challenge of the IC design, from process, design complexity, and power/performance.

Some Mediatek solutions are shared in this talk.

Education:

Bachelor: National Tsing Hua University, Computer Science Department (98 級)

Master: NTHU, CS, VLSI

Professor : Allen Wu (吳中浩教授)

Experience:

2002 Syntronix Inc.

2004 ~ now: Mediatek Inc.

Position: Director, Silicon Realization 1
